

Mr. Blackburn's Supply List

Rhetoric I (11th Grade):

- 1 Notebook (This can be either a separate notebook for each class or a divided section in a larger binder. Just make sure you have somewhere to keep notes & handouts that are easily accessible.)

- Rhetoric Journal (Each Rhetoric student will need a "Commonplace" journal. This can be a spiral bound notebook or an actual bound journal; either will work fine.)

- Pencil or Black Ink Pen (All notes and work should be done in either pencil or black ink. Anything turned in should be done in black ink unless otherwise stated.)

- Ink Pen in any color other than black or red (Every student will need an ink pen for in-class grading. All work is done in black ink and pencil, and I grade in red, so these colors will not be allowed for grading. While this may not happen every day, it will be something that we do often, so be sure you have this pen with you each day.)

- Box of Tissue
