SPECIAL CALCULATOR NOTES:

- These calculators will be used in all math and/or science classes from here on out. I will teach the students how to use them appropriately as part of our coursework.
- I typically see the cheapest prices at Wal-Mart/Target type stores at the beginning of the school year.
- If purchasing second hand, E-bay/friend/elsewhere make sure you receive the charging cord
- Be conscientious to NOT purchase calculators that have Wi-Fi capabilities, as they are not allowed in class or in testing such as SAT or ACT.

Class Donations (optional & THANKS!):

- Paper towels
- AAA batteries (for student emergencies)
- Kleenex/Tissues (LOTS)
- Dry erase markers
