A CLASSICAL CHRISTIAN APPROACH

Hickory Christian Academy provides a unique education with the goal of developing “thinkers” who are equipped to be competent problem solvers, servant leaders and wise communicators of all that is true, beautiful, and good. This education is delivered in a grace-filled environment encompassing a strong sense of community and high regard for each individual student. Of paramount importance is the condition of a student’s soul; therefore, Jesus Christ, the One who fully embodies truth, beauty, and goodness is exalted, honored and magnified in all things.

HCA’s chosen methodology is Classical Christian education. This time-honored approach to learning recognizes the natural development of a child. Commonly known as the Trivium, it divides the teaching methods into three major stages: Grammar (K-5), Logic (6-8), and Rhetoric (9-12). During the Grammar stage, students absorb facts and find memorization fun, awakening a sense of curiosity. Students in the Logic stage take these facts and naturally begin to ask “why”, deepening reasoning and understanding. The Rhetoric stage then challenges this abstract thinker to write and speak clearly and convincingly. Thus, evidencing the wisdom they have gained, over simple memorization of facts.

When selecting curriculum, HCA thoughtfully integrates original sources and quality textbooks while relying on the teachers to impart a Christian Worldview into the content. This approach demonstrates respect for the study of liberal arts and the “great books” while emphasizing a relational approach to learning - ultimately pointing to the necessity of a personal relationship with the living God and a vital understanding of His Holy Word. Fine arts, athletics, and extracurricular activities are a robust part of the overall Classical Christian education.

With its excellent teachers, quality curriculum, Trivium methodology, and resolute Christian worldview, HCA gives students an academically rigorous, comprehensive and relevant education – a truly authentic Classical Christian Education.

SCHEDULE:

We operate on a modified block A/B day schedule. Each course includes two 90-minute and one 45-minute class per week. Most academic courses are year-long, receiving one credit. Electives are half credit, meeting for one semester. The school day begins at 8:00 a.m. and ends at 2:45 p.m.

HONORS and AP COURSES:

HCA awards honors credit to eighteen classes and offers three AP courses. Students with the most demanding schedule will accrue a total of eight or nine HCA honors courses plus three AP courses.

CATAWBA VALLEY COMMUNITY COLLEGE ONLINE COURSES:

HCA partners with Catawba Valley Community College to offer college-level classes through the Career and College Promise Program. Eligible juniors and seniors may take advantage of these courses. Students have the option of utilizing an HCA block or elective class during the school day or utilizing personal time outside of the HCA school day. All courses taken are noted on the transcript; however, credit and GPA are affected only if taken as an HCA block or elective class. CCP classes taken during HCA block or elective class are given honors weight.

GRADE POINT AVERAGE:

HCA transcripts include both weighted and unweighted GPAs. Semester and cumulative GPAs are computed on the transcripts. Honors courses are weighted an additional 1.0 quality point and AP courses are awarded 2.0 quality points. Our weighted scale is therefore on a 6.0 scale.

CLASS RANK:

Due to HCA's small graduating class size, we do not report rank. We do utilize an internal class rank for junior marshal and valedictorian honors; therefore, if ranking is required by a college or university, a system is in place and can be supplied.
